

A Positive Environment for Girls

This group is for teen girls, 12-14 years old, who would benefit from a positive peer group. This group provides a safe and validating atmosphere to gain support from others, as well as myself and is structured to help teen girls thrive in, but not limited to, healthy relationships, self-esteem, self-care, and healthy boundaries.

About the Therapist

Gail Yost, MA, LMFT is a Licensed Marriage and Family Therapist, Certified Eye Movement Desensitization and Reprocessing (EMDR)/Hypnosis Clinician. Her past experience includes working with adolescents in a day treatment setting and intensive in-home family therapy with children and adolescents.
